

Does the 2025 Buick Envision have all-wheel drive?

The 2025 Buick Envision Preferred AWD comes equipped with a gasoline powered engine that produces 228 hp @5000 rpm and all-wheel drive. The Envision includes safety features like active blind spot system and lane departure prevention. It comes with a backup camera & smart key with hands-free access and push button start for convenience.

How does the 2025 Buick Envision's power compare to its competitors?

The 2025 Buick Envision is down on power compared to its competition and, as a result, its acceleration trails theirs. The Envision comes with one engine: a turbocharged 2.0-liter inline four-cylinder rated at 228 horsepower.

What features does the Buick Envision have?

Seat belts, 3-point, driver and front passenger includes... Teen Driver a configurable feature that lets you activate... LATCH system (Lower Anchors and Tethers for CHildren) for child... OnStar Basics (OnStar Fleet Basics for Fleet) Drive confidently... Looking for other models of the Buick Envision?

Does the Buick Envision have a 4-cylinder engine?

The Buick Envision's power comes from a four-cylinder turbocharged engine, much like its rivals such as the Audi Q5, BMW X3, Cadillac XT5, Lincoln Corsair, and Mercedes-Benz GLC-class. It also offers the comfortable ride you'd expect in a Buick.

Is Buick Envision a good SUV?

The Envision is a luxury compact crossover SUV. Compare it to the Lincoln Corsair, Acura RDX, and Lexus NX. Is the 2025 Buick Envision a good SUV? With slippery styling, good safety tech, and a spacious cabin, the Envision has plenty of assets.

What is the acceleration like in the Buick Envision?

The Buick Envision's acceleration trails that of its competition due to its lower power output. There is a Sport driving mode, but even with it engaged, performance remains unexciting.
