

What is A1 Solar Power?

A1 Solar Power is a company based in Van Nuys, California, dedicated to providing cleaner energy to homeowners through solar power. They focus on premier service, current technologies, reliable manufacturers, and delivering the utmost value to their customers.

Do A1 solar panels work?

The sales representative and the installer for A1 Solar were both professional and courteous. However, I purchased 7 solar panels and upon installation (last fall) only 6 panels worked. On numerous occasions, I texted the salesman regarding this and even took a picture of the readout that showed 6/7 working.
