

What is AGL solar?

Find out more about AGL solar, by continuing to read below. AGL Solar Savers Plan is available to residents of New South Wales, South-East Queensland, and South Australia. AGL Solar Savers offers the highest solar feed-in-tariff available through AGL, helping you earn more from your solar PV system.

Does AGL offer solar feed-in tariffs?

AGL is one of Australia's three largest energy retailers. AGL provides a number of electricity plans for solar owners with a range of solar feed-in tariffs (FIT). Listed here are AGL solar feed-in tariffs for households in NSW, QLD, SA and VIC. Select your State below to view solar feed-in tariffs for AGL's plans.

What are the benefits of signing up to AGL's solar-specific plans?

AGL's solar-specific plans typically come with higher usage charges but reserve its most generous solar rebate to those who sign up to them. While all AGL market offers come with a solar feed-in tariff (FiT),

Does AGL still offer solar installation services?

AGL no longer provides installation services to residential customers, but the retailer still wants to attract households that have solar panels. Solar customers in Victoria, South East Queensland, New South Wales and South Australia can sign up to AGL's special deal called 'AGL Solar Savers'.

Is AGL solar Savers a good deal?

Source: AGL Website, January 2025. Remember that the AGL Solar Savers deal offers a larger FiT of 10c/kWh for the first 10kWh/day. However, a higher FiT doesn't necessarily equate to a better deal. In some cases, higher feed-in tariffs may be negated by increased usage rates, so be sure to compare prices carefully.

Why should you invest in AGL solar energy?

As one of the largest energy providers in Australia, AGL has everything you need to get the most out of your solar energy.
