The Sol comes equipped with either 8 "Blue" or "White" LED puck assemblies. We use only the best LEDs on the market, the CREE XP series of LED. The Sol Blue puck has 1 blue, 1 royal blue, and 1 cool white LED. The Sol White puck has 2 cool white, and 1 royal blue LED. Replacement pucks of either Sol White or Blue are available from us for \$25 ...

Well crapola! A thunderstorm the other night took out the power supply to one of my AI Sol Blues. Any suggestions for a relatively inexpensive replacement? The wife got laid off last Friday so our overall income was cut in half. Our disposable income doesn't exist for the foreseeable future...
