

Why do you use aiprm?

I use it a lot to compare my ideas with those of others through chatGPT. The interface of AIPRM is very good for asking questions or requesting a summary of texts." &quot;I learned about AIPRM when I was searching for something to improve chatGPT. AIPRM is ready to use, always updated, it has support and we will be able to add our own prompts."

What are aiprm verified prompts?

AIPRM Verified Prompts are prompts that the AIPRM team has verified, and maintains actively. These are prompt templates that have been engineered and tested with our team, in close collaboration with the Prompt Template Authors. AIPRM Verified Prompts do not contain ad links or other solicitations in output.
