

Why is Akon Lighting Africa a non-profit company?

Because of this, he established Akon Lighting Africa as a for-profit company, not a non-profit charity, and it's also why he created the Solektra Solar Academy so that Africans can learn about solar power to become self-sufficient and not require charitable donations.

What is Akon city?

Akon City is a 10-year project to build a futuristic city in Senegal that will be entirely powered by solar power and will use its own form of cryptocurrency, AKoin. Further, Akon City will have an airport, hotels, schools, homes, and a "billion-dollar" hospital with 5,000 beds.
