

What are the best portable solar chargers?

The best portable solar chargers are small or foldable, and have the right wattage for your charging needs. The first thing to consider when buying a solar charger is the size of the panel. Chargers with smaller solar panels typically generate fewer watts, which is a measurement of power, while larger solar panels generate more.

Which portable solar charger is the most efficient?

The BigBlue SolarPowa 28 is impressively efficient in its charging capabilities and performed the best in all our testing of portable solar panels. This model is the fastest portable model we tested, and it delivers consistent charging even as conditions change.

What can solar chargers power?

Solar chargers can power your phone, headlamp, and other small tech. These portable gadgets marry solar panels with battery packs--they're small and lightweight enough to not add much heft to your pack and powerful enough to juice up your devices.

What is the best solar charger for charging a large power station?

A 110-watt panel is best for charging a large power station when off-grid camping. These are the largest solar chargers that you can still pack away to move. They're the best for energy-intensive devices and have fast charging speeds to keep your large battery banks full.

Which solar charger should I choose?

To help you make an informed decision, we tested multiple solar chargers and evaluated each based on its power, versatility, durability, and portability. Our top picks include the EcoFlow Bifacial Foldable Solar Panel, Goal Zero Nomad 5 Solar Charger, and BioLite SolarPanel 10+ Solar Charger.

What is a portable solar charger?

A portable solar charger is a device designed to fold for storage and capture solar energy to produce electricity. They are typically easy to carry around and can be kept in a bag, seat-back pocket, or emergency kit.

Unlike batteries and power banks, portable solar panels rely on access to the sun. The 10 portable solar panel chargers rounded up here are some of the highest-rated ones you'll find on...
