Ameresco Solar - Green. Clean. Sustainable. We distribute solar components, manufacture solar panels, and engineer solar systems. Get A Quote Now!

What can Ameresco do for You?

Ameresco can develop, engineer, build, own, operate, finance, and maintain solar power systems, providing a complete solution. We could operate and maintain your existing solar power system or assist with financing for a new construction.

Who is Ameresco Sunel?

Ameresco, Inc. and Sunel Group have established Ameresco Sunel Energy S.A., which has already been selected by Cero Generation, a leading European solar energy developer, as the contractor for "Delfini", a 100MWp solar photovoltaic (PV) project in Greece, currently in the construction phase.

How much will Ameresco & Sunel's new projects cost?

The 1,5 GWp of new projects that are currently in the bidding phase are expected to exceed \$500M USD in contract value. The partnership combines Ameresco and Sunel's extensive experience in engineering, procurement, construction, operation and maintenance of large scale photovoltaic and battery energy storage projects.
