

Arcadia power s free community solar program

How does the Arcadia Power Community Solar Program work?

Each customer purchases or rents a portion of the solar array sufficient to meet their monthly or annual electric demand. The Arcadia Power community solar program guarantees a reduced energy bill, requires no long-term commitment, and integrates with utility billing systems so you only pay a single bill per month.

Does Arcadia offer community solar?

The clearest benefit of Arcadia's community solar program for residential customers interested in solar is the ability to cancel at any time. You no longer need to sign a 20-year contract, risk a termination fee, or be obligated to transfer the commitment to the next tenant in a rented apartment.

Where is Arcadia Power Solar available?

Currently, the Arcadia Power community solar program is available to customers in New York, Maryland, Massachusetts, Colorado, California, Georgia, New Hampshire, New Jersey, and the District of Columbia. Don't live in these regions?

How do Arcadia Power's solar credits work?

Arcadia Power estimates your community solar savings and applies credits to your bills based on that estimate before your project is completed. All Arcadia members receive wind RECs (Renewable Energy Credits) to cover 50 percent of their electricity usage at no additional cost. A REC represents the environmental benefit of renewable energy.

How do I add community solar to my Arcadia account?

To add community solar to your Arcadia Power account, you must first have online account credentials with your utility and enter those credentials into Arcadia's website. You will also need to sign up for automatic bill-pay. Once you have completed these steps, Arcadia's statements will replace your utility's bills.

Does Arcadia SOLAR help save money?

Arcadia promises 10 percent savings over your utility's energy supply price with their community solar offer. However, other companies offer 20 percent savings. For a comparison of different deals available in Illinois, visit
