

Does Arizer Solo 2 support pass-through charging?

The Arizer Solo 2 supports pass-through charging, meaning you can charge it while you continue to vape. Just remember, if it's completely dead, it will need a 5 minute head start to get the battery juices flowing.

How long does the battery of Arizer Solo 2 last?

The Arizer Solo 2's battery lasts impressive 3 hours, which is twice the battery life of previous Arizer products. Getting the most out of your battery is easy with the automatic shut off feature, which you can set to activate anytime between 5-15 minutes.
