

Does Aurelion Sol have a power spike?

Aurelion Sol, like all other champions spikes on first item. The size of the power spike depends on the item. Damage orientated items like Liandry's Torment, Shadowflame and Hextech Rocketbelt offer a large powerspike, whereas for items like Zhonya's Hourglass and Rylai's Crystal Scepter the jump in damage is less noticable.

Does Aurelion Sol do a lot of damage?

Consistent Damage- The new Aurelion Sol can dish out a lot of damage. Apparatenyl, completely reworking the champion wasn't enough. Riot Games decided to spice it up a bit more. Adding the empowering effects on his passive is a massive change. Slap some percentage or health bonus damage, and you get a real champion for climbing.

What does Aurelion Sol want from an item?

The main things Aurelion Sol wants from an item are magic penetration /damage amplifiers, on-ability damage effects, move speed and utility/defensive effects. And Asol really likes it if an item also gives health. Along with this is ability power, which is a necessity for any item he builds, as is the same with any other mage.

Does Aurelion Sol have an alternator?

Of all the components Aurelion Sol can buy, the alternator gives one of the largest power spikes. It isn't massive, but it means you can play a bit more aggressive. Other components just give more power, without it changing your damage output to drastically. Level 6 gives you Falling Star.

How powerful is Aurelion Sol?

They are very innovative and powerful but manage to stay true to his identity. When playing Aurelion Sol, you are a space dragon breathing fire. And you feel like it. The power to combine your abilities, combined with reset and execution mechanics, makes the Star Forger feel like a season 13 champion.

Is Aurelion Sol a roam heavy champion?

As Aurelion Sol is a roam heavy champion, it can be difficult for you to roam if your side lanes are not strong. It will also be hard to roam against champions with good pushing power. Push the early few waves and then recall for your first item. This will give you one up over the enemy in the very early laning phase.
