

Australian gold solar dust dark tanning power gel

What is solar dust?

This moisturizing and antioxidant-rich tanning gel captures the sun's warmth with glistening golden flakes to deliver a beautiful, bronzed glow. Solar Dust(TM) maintains smooth and healthy-looking skin while reducing the appearance of fine lines and wrinkles. You'll love our signature Cocoa Dreams fragrance and the weightless, non-greasy feel.

Does Australian gold dark tan work?

Australian Gold Dark Tanning Exotic Oil Spray helps boost your skin's natural ability to pick up a deep, dark color from the sun. It is enriched with Carrot oil that encourages deep dark color while keeping your skin moisturized.
