

Is it possible to solo power level in Diablo 3?

If you have a max level character in Diablo 3 and want to try solo power leveling, you don't have to grind up to level 70 again the long way if you don't have someone to power level you. It's time to roll up your sleeves and do it yourself!

How long does it take to complete the Balance of Power storyline?

Completing the Balance of Power storyline will take around 5-6 weeks. To get extra artifact appearances for your class, you have to complete this very long quest chain. It is easy to solo as level 70.

How long does a balance of Power Quest take?

Completing the Balance of Power quest will take around 5-6 weeks. This is a very long quest chain that requires reputation farming and can be easily soloed at level 70.

What is the Balance of Power quest line?

The Balance of Power quest line is a long, complicated quest chain that required players to run multiple Mythic+ dungeons and several Legion raids to complete. This quest line, which begins with The Power Within, unlocks several appearances for your Artifact that you can still use for transmog.

What are the balance of power artifact appearance rewards?

The artifact appearance rewards for the Balance of Power questline are now account-wide. After unlocking the base appearance, the criteria for additional color variants, such as the Glory of the Legion Hero and Unleashed Monstrosities achievements, may be completed on any character to earn the appearances.
