

Which solar panel companies are the best?

When it comes to choosing the best solar panels, Sunlux, Project Solar, and Freedom Solar Power are our top picks. ConsumerAffairs is here to help you evaluate your choices and get the best deal on residential solar panels. We've heard from over 100,000 verified solar customers since 2018.

Who are the top solar installation companies?

Our top three choices for solar installation companies are Freedom Solar, Blue Raven Solar, and Palmetto. In our review, we compared these companies and other top-rated providers to determine the best options.

Is Freedom Solar Power a good company?

Freedom Solar Power is generally considered a good company by its customers. Over 200 verified customers have praised their technology and installation services, reporting significant savings on energy bills after installation.

How do I choose a solar company?

Carefully review a solar company's efficiency rating, warranty coverage, customer reviews, financing options, state availability, and equipment selection before making your choice. You can greatly reduce your solar panel cost by taking advantage of solar incentives, tax credits, net metering programs, and local rebates.

Who is the best solar company in the Northeast?

Trinity Solar, which has served the Northeast for more than 28 years, is a top choice. LGCY Power is another excellent option, offering one of the best guided solar consultations and detailed online articles about the solar installation process. They also partner with Sunrun, one of our picks for top solar companies.

Are solar panels a good investment for homeowners?

For homeowners, solar panels can be a good investment as they typically lead to significant savings on monthly bills. For instance, a solar customer in Nevada saw their bill drop from over \$300 to about \$100 per month, including financing payments and connection fees. Additionally, solar panels can increase your home's value by 4.1%.

Find Solar Installation near you by using your Better Business Bureau directory. Get BBB ratings and read consumer reviews and complaints by people in your community.
