Beats solo 3 power button not working

Why are my Beats Solo 3 headphones not working?

Another common cause of non-functional power buttons on Beats Solo 3 Wireless headphones is corrosion. The power button on these headphones is located on the outside. This means it is frequently exposed to moisture and other elements,which can cause corrosion and make it difficult to press down.

How do I Reset my Beats Solo 3 Headphone?

Most of the time, simply restarting your Beats solo 3 headphone will fix power issues. Here's how reset beats solo 3: Press and hold headphone power button for 10 seconds until indicator light turns off. Press and hold power button again. This time, the headphones will turn on. If headphone still won't turn on, try the next solution.

How do I get my Beats Solo 3 to work?

Try this: Put your Beats on the charger. Once they are on the charger, hold down the power button for 20 seconds. After the 20 seconds, unplug your beats and turn them on. They should work right away. I just was having problems with my own Beats Solo 3 and I tried this. Instant results.

How do I Charge my Beats Solo 3 Headphone?

To do this: Make sure Beats Solo 3 headphone is fully charged. If not, charged it first until it is fully charged. Press and hold the power button and the volume up button for 5 to 10 seconds. When the Fuel Gauge LED light starts flashing, release press the buttons.

Are Beats Solo 3 Good headphones?

Beats Solo 3 Not Turning On [SOLVED!]Beats Solo 3 are very reliable headphones with solid build quality and software. However,at times,your headphones might not turn on,and you might get a little worried (ok,a lot worried as they are 200-dollar headphones)

How do I replace the battery on my Beats Solo 3?

If the Beats Solo 3 is having a faulty battery, you can either remove or replace a faulty battery. To remove the battery: Remove the lid on the right side of the headphone. Remove the connectors to disconnect the battery. Leave the battery out for about a week or two. After 2 weeks, place battery back to the headphone. When replacing the battery:
