If you want to splurge, the Ring Solar Pathlights are a truly spectacular smart set that are well worth the cost.

Where can I purchase outdoor solar lights?

You can find outdoor solar lights at various retailers. For example, you can get the Kooper outdoor solar lights at Wayfair.

Are solar-powered outdoor lights a good idea?

Using solar-powered outdoor lights is a good idea for several reasons. They create a sustainable and cordless lighting solution, and eliminate the need for constant battery replacement. They're powered by solar cells that convert sunlight into electricity, which is then stored in an internal battery.

Solar Life . Here's how solar lights work: The solar panel attracts sunlight and converts that into electricity that's stored in a rechargeable battery. Most can power a light for six to 12 hours on a full charge depending on the ...
