

Who is the best solar company in Irvine?

Here are the top companies we recommend for solar in Irvine: Stellar Solar has been a leading installer of residential and commercial solar and battery storage since 1998. Since then, we've installed over fifteen thousand solar systems on homes, businesses, non-profits, and faith-based organizations. We've received tho...

How much does solar cost in Irvine?

The average price of solar is about \$2.14 to \$3.22 per watt in Irvine, so anything in that range is a fair price. Some prices may be too good to be true. If your installer quotes you way below the average price in your area, proceed with caution.

What is a good APR for a solar loan in Irvine?

Recent interest rate hikes have bumped solar loan APRs above 5.99%, but we have seen some providers offer as low as 30-year, 3.99% loans. Getting quotes from different installers is essential to getting the best rates possible in Irvine.

Are solar incentives a good idea in Irvine?

Solar incentives and rebates can cut the cost of installing solar in Irvine by thousands of dollars. The most significant incentive is the 30% federal solar tax credit, available to any taxpayer in the country when they purchase solar panels or battery storage.
