

Who are the top solar installation companies?

Our top three choices for solar installation companies are Freedom Solar, Blue Raven Solar, and Palmetto. In our review, we compared these companies and other top-rated providers to determine the best options.

Who is the best solar company in the Northeast?

Trinity Solar, which has served the Northeast for more than 28 years, is a top choice. LG CY Power is another excellent option, offering one of the best guided solar consultations and detailed online articles about the solar installation process. They also partner with Sunrun, one of our picks for top solar companies.

Which solar company is the best?

Our top pick for best solar company is Palmetto Solar. It offers high-efficiency solar panels and an all-inclusive warranty, with positive customer reviews. Switching to solar power can substantially reduce your electricity bills and power grid dependency.

Which solar company did you rate the highest?

Out of the top-rated providers, Freedom Solar got our top vote for solar installation companies.

Is Trinity Solar a good company for solar panels?

Trinity Solar was previously CNET's top company for customer service and still receives top marks. It offers quality equipment and warranties, although some of its warranties, like its workmanship warranty, are a bit weaker than other companies.

How do I choose a reputable solar company?

To choose a reputable solar company, you should check that they have liability insurance, especially since technicians will be working on your roof. Additionally, look for affiliations with organizations like the North American Board of Certified Energy Practitioners (NABCEP) or certifications from the Solar Rating and Certification Corporation (SRCC).
