

Where can I buy solar power in Queensland?

South East Queensland (SEQ): Retailers set their own FiTs, so you can shop around for the best rates.

Regional Queensland: FiTs are regulated at 9.3 cents per kWh, with Ergon Energy as the main retailer.

Queensland's sunny weather makes solar power highly effective. Here's why you should consider it:

Who has the best solar feed-in tariff in Queensland?

Origin has the best solar feed-in tariff in Queensland at the time of publishing, with a generous 20 cents per kilowatt hour (kWh) on offer to eligible customers. The next best FiT rates come from AGL with 15c/kWh and EnergyAustralia with 12c/kWh.

Who are some top solar FiT providers in Queensland?

Some of Queensland's top solar FiT providers for 2024 include Origin Energy, Energy Australia, and Globird Energy. Feed-in tariff rates can vary depending on the energy retailer. Compare the market to find the best available rate.

Is solar energy a cost-effective option in Queensland?

Queensland has initiatives such as Solar Rebate QLD which provides incentives. These reduce the cost of installing solar systems. Incentives and feed-in tariffs make solar energy a cost-effective option. In Queensland, it is economical to switch to solar energy as the electricity bills will be reduced and the Environment will be improved.

What is the cost of a solar system in Queensland?

As of July 1, 2024, the mandatory minimum solar feed-in tariff (FiT) for regional Queensland, under the Ergon Energy network, is set at \$0.12377 cents per kilowatt-hour (kWh). The Queensland Competition Authority (QCA) determines the cost of solar systems annually and applies it to all eligible systems in the region.

Should you go solar in Queensland?

Looking to go solar in Queensland is a smart choice for your wallet and planet. Check feed in tariffs, choose the right plan, get long-term savings on your bills, and support clean energy. Switching to solar power is definitely a good idea, but choosing the appropriate feed-in tariff (FiT) is important. Move-In Connect can help there.
