

Who are the top solar installation companies?

Our top three choices for solar installation companies are Freedom Solar, Blue Raven Solar, and Palmetto. In our review, we compared these companies and other top-rated providers to determine the best options.

What are the best energy installation companies?

Besides our top pick, Palmetto, several other companies ranked above the competition in providing solid solar equipment and installation services. They stand out in specific ways: Tesla for lower prices, and Momentum for its in-house installers. NRG Clean Power and Renu Energy Solutions also stood out as exceptional installers in more localized regions.

Who is the best solar company in the Northeast?

Trinity Solar, which has served the Northeast for more than 28 years, is a top choice. LGCY Power is another excellent option, offering one of the best guided solar consultations and detailed online articles about the solar installation process. They also partner with Sunrun, one of our picks for top solar companies.

Which solar panel companies are the best?

When it comes to choosing the best solar panels, Sunlux, Project Solar, and Freedom Solar Power are our top picks. ConsumerAffairs is here to help you evaluate your choices and get the best deal on residential solar panels. We've heard from over 100,000 verified solar customers since 2018.

How do I choose the best solar installer?

Below are tips to guide you in choosing the best solar installer: Expertise, track record, and experience: Look for a provider with plenty of experience installing solar systems. The best providers often have an extensive portfolio of completed projects with a positive track record.

What makes a good solar company?

Companies that offer 25-year warranty coverage got our highest score in this category. Other Offerings (20 points): Solar companies that provide secondary services are rated highly. These include obtaining permits to operate (PTO), providing financing and price matching options, and mobile performance tracking options.
