

# Birdfy smart bird feeder with camera solar power

Does the Birdfy feeder have a solar panel?

The Birdfy feeder comes with a solar panel to keep your bird feeder camera charged and ready for action. This eco-friendly, smart solution allows you to easily monitor birds in your garden.

Is Birdfy a sustainable bird feeder?

The Birdfy Feeder Bamboo is FSC-certified and promotes sustainable forest development. Its natural design attracts wild birds while blending into nature. Powered by solar energy, this bird feeder camera operates in an eco-friendly manner. Let's enjoy green birdwatching! Instantly identify your feathered friends.

What is a smart bird feeder camera?

This smart bird feeder camera recognizes more than 6000 types and species of birds using the world's leading AI algorithm. You can look up further details and introductions of the bird species in the Netvue app with the recognition result. It is educational, especially for children to learn about birds.

What is a Birdfy bamboo bird feeder?

Birdfy Bamboo Bird Feeder with camera and solar panel. Made from sustainable bamboo, this feeder captures high-definition footage of visiting birds. Perfect for eco-conscious enthusiasts, it combines beauty, technology, and sustainability, offering an unparalleled bird watching experience.

Is Birdfy a free app?

AI Lifetime Free: Enjoy the free Birdfy app with lifetime AI Bird Recognition service. The Birdfy Feeder Bamboo is FSC-certified and promotes sustainable forest development. Its natural design attracts wild birds while blending into nature. Powered by solar energy, this bird feeder camera operates in an eco-friendly manner.

Does a smart bird feeder really recognize birds?

As a smart feeder, the Netvue Birdfy Feeder Cam's AI feature that supposedly recognizes birds does a lousy job. While it's still fun to watch birds up close as they visit the feeder, the AI recognition is disappointing.
