

Blue 1 energy equipment commercial storage solutions

Who is Blue1 Energy Equipment?

Blue1 Energy Equipment is a fully integrated provider of storage and dispensing equipment for fleets of all sizes and vocations. Headquartered in Greenville, SC, they offer a broad assortment of fueling solutions including petroleum and DEF (Diesel Exhaust Fluid) equipment, propane autogas systems, and EV charging solutions.

What does Blue1 Energy Equipment's sister company specialize in?

Our sister company (formerly EZ Fuel) provides aboveground petroleum equipment for both diesel and gasoline vehicles. Our DEF division is one of the nation's leading manufacturers of proven, reliable storage and dispensing equipment.

Who is Blue1?

Blue1 is a top tier vendor for Ports Petroleum. When Ports Petroleum was looking for a DEF equipment supplier to help grow in the Florida market, Blue1 provided customized solutions to help customers increase storage capacity and drive down cost.

What did Blue1 provide for Ports Petroleum?

Blue1 provided customized solutions that helped our customers increase storage capacity and drive down cost for Ports Petroleum. When our Oil Company was looking for a DEF equipment supplier to help us grow in the Florida market, Blue1 was there as a top tier vendor.
