

Where can I find charging stations?

ChargeFinder is available as an app for iOS and Android. Specific city pages provide a good overview of charging stations in a particular city. Download the app from Apple App Store or Google Play. ChargeFinder will eventually also be available as apps in Apple CarPlay, Android Auto, and Android Automotive.

How do I find out if a charging station is nearby?

To find out if a charging station is nearby, use ChargeFinder's station page which shows relevant information like charging speed, outlet type, price, and location. Additionally, the "Food and Shopping Nearby" feature helps you find points of interest near the charging station.

How do I add a charging station?

Add a Public Station Submit a station that is publicly available at a commercial establishment, government building, national park, etc. Add a Private Station Submit your own home station Log in Create Free Account Log In Edit Profile Logout Find Charging Stations in Illinois All Countries > United States >
