Are there electric vehicle charging stations in New York?

Yes, there are electric vehicle charging stations in New York. For more information, please visit the Electric Vehicle Charging Stations in New York page.

How do I select a charging station?

Selecting an individual station displays the name of the charging host, address, and contact information. Most of the stations also include charging rate information (AC Level 1, AC Level 2, or DC Fast Charge), number of charging ports, and hours of accessibility. Private and planned stations can be displayed by selecting "more search options."
