

Where can I find charging stations?

ChargeFinder is available as an app for iOS and Android. Specific city pages provide a good overview of charging stations in a particular city. Download the app from Apple App Store or Google Play. ChargeFinder will eventually also be available as apps in Apple CarPlay, Android Auto, and Android Automotive.

How can I find the right EV charging station?

Use the charging map in the ChargePoint app to find the right EV charging station for you. Filter stations near you, drive up, plug in, and enjoy the amenities nearby. With the largest global EV charging network, including ChargePoint and roaming partner stations, finding the right station is easy, affordable, and convenient.

How do I find EV charging stations on Google Maps?

All you need to do is search for keywords like "EV charging" and the stations nearest to you will pop up on the map. You will find information on the types and number of ports available and their charging speeds. Of course, as many other locations on Google Maps, you will also find reviews, ratings and photos from other drivers.

How do I charge my EV using the ChargePoint app?

Charging your EV with the ChargePoint app is easy, affordable and convenient. Find and filter the right station near you in the app, drive up, plug in and enjoy nearby amenities. Unplug when you get notified that you're done charging, and go about the rest of your day.

How does a car charging app work?

It also lets you filter stations based on things like plug type, charging speed, charging network, and more. That means that you can see only stations that support your car's fastest charging speeds, for example. The app also allows you to plan routes, meaning that you can figure out ahead of time where you're going to stop to charge.

How do I find out if a charging station is nearby?

To find out if a charging station is nearby, use ChargeFinder's station page which shows relevant information like charging speed, outlet type, price, and location. Additionally, the "Food and Shopping Nearby" feature helps you find points of interest near the charging station.
