

Who owns Titan solar?

Titan was founded in March 2013 by David Williamson and co-founder, Kyle Beddome, Titan's CFO. Heather Williamson, Titan's COO and David's wife of 20 years, joined the company at the end of the year. The trio began hiring outside employees in 2014. "I am thrilled to welcome Titan Solar to Mesa and District 3," Councilmember Francisco Heredia said.

Does Titan solar power service a solar system?

While Titan Solar Power is no longer directly responsible for servicing these systems, you can contact the equipment manufacturers for warranty related issues. For ongoing maintenance or service of your solar system, Forme Solar can assist in diagnosing and repairing your system to ensure continued energy production.

2.

What if I need assistance with MY Titan solar power energy system?

If you are in need of assistance with your existing Titan Solar Power energy system, contact Forme Solar at 714-694-2262. Our team is equipped to handle solar repairs, maintenance, and expansions, ensuring that your solar panel system continues to deliver reliable performance for years to come.

What happened to Titan solar power?

Titan Solar Power, once one of the largest and fastest-growing solar installers in the U.S., faced similar struggles. After years of rapid growth, Titan Solar underwent significant financial difficulties, leading to a restructuring of the business model to adapt to a more sustainable approach in the competitive solar market.

Why did Titan solar power restructure its operations in 2023?

They offered a wide range of services, including solar system design, installation, and maintenance for residential and commercial properties. However, in 2023, due to increased operational costs, labor shortages, and warranty claims, Titan Solar Power announced its decision to restructure its operations.

Is Titan a good solar company?

2018 was a pivotal year for Titan. In addition to being honored the Nation's Top Rooftop Contractor by Top Solar World, Titan ranked No. 208 on the INC 5000's Fastest Growing Companies List and placed first in the Phoenix Business Journal's 2017 Largest Phoenix-Area Solar Installers List (ranked by kilowatt).
