

Does Duke Energy offer solar rebates in North Carolina?

Duke Energy customers in North Carolina will soon have access to rebates worth up to \$9,000 for home solar and battery systems. In May 2024, Duke Energy is opening applications to the PowerPair pilot program that offers a one-time incentive for residential solar and battery installations.

Does Duke Energy offer a solar & battery incentive?

The incentive only applies to new solar AND battery systems. Solar-only and battery-only systems do not qualify. At this time, Duke Energy has not released any equipment eligibility requirements. There are two options in the program: PowerPair and PowerPair +EnergyWise Battery Control. The key differences are:

What is Duke Energy powerpair?

With up to \$9,000 in rebates per system, Duke Energy PowerPair program reduces the cost burden of installing solar and battery systems in North Carolina. This incentive has limited capacity and is expected to go quickly. Connect with an Energy Advisor to make a game plan for claiming it! See how much solar panels cost in your area.

How do I sign up for Duke Energy powerpair program notifications?

Visit the PowerPair program page to sign up for program notifications. Solar and battery allow homeowners to hedge against rising utility rates and power their homes when the grid goes down. With up to \$9,000 in rebates per system, Duke Energy PowerPair program reduces the cost burden of installing solar and battery systems in North Carolina.

Does Duke Energy offer battery control?

Solar-only and battery-only systems do not qualify. At this time, Duke Energy has not released any equipment eligibility requirements. There are two options in the program: PowerPair and PowerPair +EnergyWise Battery Control. The key differences are: Can Duke Energy remotely control battery? How much could I save with PowerPair?

Will the Duke solar rebate return in 2023?

In total, \$62 million in Duke Rebate funding was awarded to homeowners, businesses, and nonprofit organizations across North Carolina between 2018 and 2022. Currently, there are no official plans for the Duke Solar Rebate to return in 2023, but you can sign up for our newsletter to stay up to date about any future solar rebate developments.
