

Are there EV charging stations in Big Bend National Park?

Distances between towns and services are considerable. Be sure you have plenty of gas, food, water, and supplies for your trip. There are no electric vehicle charging stations in Big Bend National Park. The closest EV charging station is 130 miles away in Fort Stockton.

What are the EV charging limits in Oregon?

In Oregon, any natural gas vehicle or electric vehicle may exceed the weight limits by up to 2,000 lbs. (Reference Oregon Revised Statutes 818.030). The owner of a lot in a planned community or unit in a condominium may apply to install EV charging stations for their personal use in a parking space.

Who owns the EV charging station?

The EV charging station is considered to be the personal property of the lot or unit owner with which the charging station is associated, according to regulations in effect before June 4, 2015. Additional requirements and restrictions apply.

Can I install EV charging stations in my parking space?

The owner of a parking space in a planned community or condominium may apply to install EV charging stations for their personal use. Subject to the exclusive use of the owner, the homeowners association (HOA) must approve a complete application within 60 days.
