

Where can I find EV charging in Portland?

On Saturdays, we can find it at State Portland University, surrounded by students and Level 2 charging stations. Today, Portland offers a rich EV station network and is particularly adapted with a developed charging infrastructure. Many charging networks are found in this city, such as ChargePoint, Blink and SemaCharge.

How many charging plugs are there in Portland?

While it's often convenient to charge at home, there are over 350 public charging plugs in Portland - and more on the way. There are three main types of chargers that you will encounter: Level 1, Level 2, and Level 3 (also called DC Fast Charging): Level 1 charging uses a standard 120V outlet that you are likely to find in your garage.

Where to charge an EV?

The most common place to charge an EV is at home, and it's often the least expensive. If you live in a home with a garage or driveway you can charge your EV using a standard wall outlet, also known as Level 1 charging. This is a good option if you typically charge your EV overnight.

What is the charging infrastructure in Portland?

of the charging infrastructure in Portland is composed of Level 2 charging stations. Amongst its infrastructure, it includes free charging stations located primarily downtown, in the Old China-Town as well as on the East side of the Willamette River.

Where can I charge my e-bike in Oregon?

There are also public charging opportunities for e-bikes across the state. The Oregon Department of Transportation upgraded all forty-seven charging stations along the West Coast Electric Highway in fall/winter 2022 to include a 120-volt outlet to provide free e-bike charging.

Will PBOT support public EV charging in Portland?

PBOT is currently developing policy to support public EV charging in commercial areas across Portland by permitted EV charging companies and local utilities, which would better support residents who are unable to charge at home. While that policy is being developed, PBOT is not issuing permits to install EV chargers in the public right-of-way.
