Do Eve University members get full reimbursement for skills?

EVE University members can get full reimbursement for most of these skills, among many others, through the University skillbook program. Capacitor Management - 5% bonus to capacitor capacity per skill level. Capacitor Systems Operation - 5% reduction in capacitor recharge time per skill level.

Does Eve have a Powergrid?

Every ship in EVE has an internal generator, which provides the "powergrid"; you see in the fitting window. Modules fitted onto the ship connect to the powergrid and reserve a portion of the generator output for themselves, reducing the remaining powergrid when fitted.

Does a capacitor boost work in PvP?

Cap-boosted fits can work well in some types of short, high-stakes PvP combat, but are usually ill-suited (and ISK-inefficient) in sustained PvE combat. The capacitor passively recharges from onboard generator power and requires no extra "fuel".
