

Find an electric car charging station near spring valley ny

How do I select a charging station?

Selecting an individual station displays the name of the charging host, address, and contact information. Most of the stations also include charging rate information (AC Level 1, AC Level 2, or DC Fast Charge), number of charging ports, and hours of accessibility. Private and planned stations can be displayed by selecting "more search options."

Where can I find charging stations?

ChargeFinder is available as an app for iOS and Android. Specific city pages provide a good overview of charging stations in a particular city. Download the app from Apple App Store or Google Play. ChargeFinder will eventually also be available as apps in Apple CarPlay, Android Auto, and Android Automotive.

How do I find out if a charging station is nearby?

To find out if a charging station is nearby, use ChargeFinder's station page which shows relevant information like charging speed, outlet type, price, and location. Additionally, the "Food and Shopping Nearby" feature helps you find points of interest near the charging station.

What if a station is missing from the charging map?

If a charging station is missing from the map, it is easy for anyone to add it. It is also possible to edit and update information on all existing stations.
