

What is Freedom Forever?

Freedom Forever is a solar power company that offers a unique guarantee. They are the only solar panel installation company that 100% guarantees the amount of energy that your solar power system produces.

What is a Freedom Forever solar panel?

Solar has come a long way in the past 10 years. The Freedom Forever Solar Panel is the answer to a modern source of renewable energy. With its super sleek and slim dimensions and a modern, triple black design, your house will be the star on the street. Plus, our panel is compatible with all climates.

What brands of solar panels does Freedom Forever solar install?

Freedom Forever Solar carries and installs panels from a few different manufacturers with which it has partnerships, including Solar Edge, Trina, Panasonic and QCells. These are all outstanding tier-one panel brands that boast above-average efficiency ratings and performance specifications, so we have no issues with the equipment brands offered.

Is Freedom Forever a good solar company?

One of the largest U.S. solar installers, Freedom Forever installs quality equipment, but some customers reported dissatisfaction. Hands-on testing of solar equipment and companies is difficult. We examine technical specifications, talk with companies and consider customer reviews to find the best product available.

Should you choose freedom forever as your solar panel provider?

Nonetheless, after considering the company's overall effectiveness, its reasonably priced services, and the geographical breadth of its provision of services, we can recommend using Freedom Forever as your solar panel provider. Today's Homeowner gives Freedom Forever a 3.5/5 review.

Does Freedom Forever install batteries?
