Where is freedom solar power located?

17750 Lookout Road STE 605, Schertz TX, 78154 4055 Corporate Drive #200, Grapevine TX, 76051 1212 North Post Oak Rd, Houston TX, 77055 4801 Freidrich Ln Ste 100, Austin TX, 78744 Freedom Solar Power reviews and complaints, reviews of the brands of solar panels they sell, their locations and the cost of installations reported to us for 2024.

Is freedom solar a good company to install solar panels?

The overall experience is very positive, from the initial consultation to the installing - the installation team "jalapanel poppers" was extremely helpful and thorough explaining the installation process. I would recommend Freedom Solar to anyone who is in the market for solar panel installation.

Who is freedom solar?

Freedom Solar is honored to have been recognized by Maxeon (previously SunPower) as the "National Top Producer of the Year" in 2019, 2020, and 2021 for consistently putting customers first and installing more residential solar than any other company in the central U.S.

Does Freedom solar power offer solar backup power?

In addition to solar panel installation, Freedom Solar Power offers a few options for solar backup power. A solar backup system connects to your home's solar panels and the electric grid. It stores excess power that can then be returned to your home in a time of need, like a power outage during an emergency.

How good is freedom solar?

Freedom Solar installed our original 27 panels and 2 Tesla Gen 2 batteries. The system has functioned great. When a panel went bad, they replaced the inverter within a couple of months. We just got 3 more panels and 2 more batteries installed at a really decent price.
