Is go solar a good company to work with?

Go Solar was a great company to work with- it was a lengthy process and all along the way they kept us informed,had a team assigned to us and responded immediately to any questions or concerns. We got a new roof first,and then our solar panels.

Why should you choose go solar power?

Switching to solar has never been easier. Go Solar Power provides expert Powerwall 3 installation with superior service and seamless setup. Unlike Tesla,we offer personalized support and top-tier craftsmanship for reliable backup power and true energy independence.
