

Who makes Growatt inverters?

This Growatt inverter review is performed independently by Solar Choice and has no affiliation with Growatt. Founded in 2011, Shenzhen Growatt New Energy Technology Co Ltd (Growatt) has built a reputation as a cost-effective manufacturer of solar inverters.

How efficient are Growatt solar inverters?

In fact, their solar inverters' efficiency ranges between 95 to 98% (as the CEC demands between 97.2-98.4%). Surprisingly, Growatt's latest MIN 2500-6000TL-XH series has efficiency up to 98.4%, surpassing some of the leading brands in the solar industry. It shows that their uncompromised quality at an affordable price is a trump card.

Is Growatt more expensive than a Mecer or Must inverter?

That is typically a sign of a company looking to build a quality product. With that said, Growatt is slightly more expensive than a Mecer or Must inverter costing up to \$200 more than the latter. Check out our side-by-side review of the top five solar inverters to see how Growatt measures up against MUST, Mecer, Phocos and Victron.

Are Growatt inverters CEC approved?

Most Growatt inverters have Clean Energy Council (CEC) approval for Australia's Small-scale Renewable Energy Scheme, the country's home solar rebate program. However, it's crucial to note that not all kW sizes of certain inverters receive approval. The CEC-approved Growatt inverters include:

Are Growatt inverters slowing down?

International market research company EUPD Research has awarded Growatt 19 'Top Brand PV Inverter' seals. This reflects Growatt inverter's performance, market penetration and customer satisfaction across global solar markets. With over a decade of experience, there are no signs of Growatt slowing down.

Is Growatt a good brand?

Despite this short history, Growatt has rapidly risen to be a globally recognized provider of inverters, proven by its remarkable market presence in over 100 countries. A pivotal point in any review is the price. With a broad range of models, the price of Growatt inverters varies significantly.

Growatt MIN 5kW Single Phase Solar Inverter - MIN 5000TL-X quantity. Add to cart. To order set quantity and then add to cart. Compare. Add to wishlist. Shop Garage Floor Tiles. Overview. Description Additional ...
