Do Marriott Hotels have EV charging stations?

Similar to IHG, a filter for "hotels with EV chargers" doesn't yet exist on the Marriott website. That said, here are a few examples of Marriott hotels that will work. Consult PlugShare and you'll find a Tesla Destination Charging station right next to the Courtyard by Marriott Sedona.

Do Sheraton Hotels have EV charging stations?

As a part of most Sheraton properties' sustainability plans, providing EV chargers is a sensible way to reduce their carbon footprint and encourage EV adoption. Partnering with a diverse range of charging providers, including ChargePoint, Tesla, and TurnOnGreen, Sheraton hotels now have EV charging stations at more than 50 locations worldwide.

How can I book a hotel with an EV charger?

To book a hotel with an EV charger, call the hotel directly and ask if they have a working and accessible charger. While some hotels list their EV charging availability on their websites, it's always best to double-check before booking.

Does Best Western have EV charging stations?

In December 2023, Best Western (BWH?) Hotels announced that it will partner with Tesla to install Universal Wall Connectors at some of its North American hotels. These charging stations join the brand's already-existing collection of EV chargers, including the first hotel to provide EV charging along California's legendary Highway 5.
