

Is icon power a good solar company?

ICON Power has an excellent credit rating. I highly recommend this solar company." Wendy Wayne 4 years ago "Icon power was just awesome. Any question we had was answered quickly and with professionalism. From the first meeting with Drew to the last chat with him the time seemed to fly by. We were approved quickly and the installation began.

Why would you recommend icon solar?

Icon, provided one of the best quotes, the system used the best components (panels, inverters and racking), the installers were knowledgeable and experienced and there were no city/ AHJ rejections hence the time to power on the system was very short. I work in the Solar industry and would recommend Icon.

Who is icon power?

Thanks, Kevin. Icon Power provides sustainable energy solutions for homes and businesses in Arizona, Texas, and Nevada. Our A+BBB rating and recognition as a top solar contractor in the Southwest demonstrate our dedication to customer satisfaction.

Why should you choose Icon Power?

Icon Power offers 30% credit on your taxes when you choose them for your solar energy needs. Owning your own panels means owning the energy you produce. If you're looking to go solar and simplify the process, Icon Power's streamlined full solar services have you covered, taking care of everything from design to monitoring--all in one place.

Where is icon power located?

Icon Power is an award-winning solar company headquartered in Tempe, Arizona, with additional branches in Tucson; Safford; Houston, Texas; and Las Vegas, Nevada. Icon Power's mission is to improve the lives of its customers, its team members, and the less fortunate.

What is your experience with icon power?

"Our experience with ICON Power started very positive with the first meeting with Kevin Kennedy. He continued to provide information during our fact finding and vendor analysis. Was always responsive to inquiries. He even painted the conduit as required by the HOA. He joined us in starting up our system. ICON Power was not the lowest cost bidder.
