Is icon a good solar system?

Some of the other solar people were downright obnoxious. At the end of the day, we decided ICON was financially and functionally the best value for us. We installed 72 panels, mostly on our South-facing roof (see picture) with the rest on our West-facing roof. But, we have to say, a KEY factor in our decision was our confidence and trust in Gentry.

Who is icon power?

Thanks,Kevin. Icon Power provides sustainable energy solutions for homes and businesses in Arizona,Texas,and Nevada. Our A+BBB rating and recognition as a top solar contractor in the Southwest demonstrate our dedication to customer satisfaction.
