What is a Jackery explorer 1000 Pro portable power station?

Jackery Explorer 1000 Pro Portable Power Station, powers multiple devices simultaneously with a fully compatible power station! Offering a battery capacity of 1002Wh, the 1000w portable power station keeps your electrical devices charged during camping and power outages.

What makes Jackery solar generators exceptional?

Exceptional power featuring optimal portability makes Jackery solar generators stand out. The only backup power solution you will ever need- compact, reliable and eco-friendly solar generator for house. Jackery is one of the leading manufacturers of efficient solar generators, which are perfect for home backup and outdoor use.

Are Jackery solar panels safe to use?

After a carbon monoxide scare from our gas generator, this unit was the safe choice. The Jackery solar panel worked well in good sunlight and met all our power needs while camping in a campground with no power. It is easy and reassuring to use, especially in areas that have lost power.

How much does a Jackery solar panel weigh?

Jackery SolarSaga 100W Solar Panel - converts solar to renewable power with this monocrystalline solar panel. With a high solar conversion efficiency of 24.3%, it's perfectly suited for outdoor activities and for emergency power outages. The ETFE-laminated case extends the lifespan of the solar panel, and weighs in total just 10.33 lbs.
