

What is lit solar powerbank?

The Wireless Lit Solar PowerBank is a charger that keeps the battery of a smartphone powered without the need to connect to an electrical outlet. The slim design makes the charging bank ideal for travel or for a busy day when plugging in isn't exactly convenient. What is Lit Solar Wireless PowerBank?

What is a wireless solar powerbank?

While there are many portable charging products available, the Wireless Lit Solar PowerBank provides a massive source of power to charge up while out and about. With the silicone protective cover, this charger offers both a waterproof and shockproof design to protect any phone while it is powering up.

How much does a lit solar powerbank cost?

On the Lit Solar website, consumers can purchase the Wireless Lit Solar PowerBank for \$99.95. However, there are two other packages that consumers can choose, giving them 50% off on additional devices. The options include: Two Wireless Lit Solar PowerBanks for \$149.92 (plus \$6.99 shipping)

How much battery does the wireless lit solar powerbank have?

A: The Wireless Lit Solar PowerBank contains a 20,000 mAh lithium-ion battery, though it stays charged with solar energy. It offers enough energy in one full battery to charge an iPhone up to four times. Q: What phones are compatible with the Wireless Lit Solar PowerBank?

What is lit solar?

Lit Solar, the creator of this device, is based in Indiana, and it has expanded substantially through the last year to bring its products to customers across the globe. They are also responsible for developing a Solar Backpack, which makes it possible to charge an iPhone to 100% battery in just three hours without any other source of power.

How do I contact lit solar customer service?

A: The customer service team can be reached by sending an email to: help@litsolar.com or by filling out the online form at: litsolar.com/pages/contact-us. The Wireless Lit Solar PowerBank can be used with almost any device, and it stores enough of its own power to offer multiple charges back-to-back.
