

When did Lorde release solar power?

"Solar Power" is the third studio album by New Zealand singer-songwriter Lorde, released on August 20, 2021. Seven singles were released - Solar Power, Stoned at the Nail Salon and Mood Ring, Fallen Fruit, Secrets From a Girl (Who's Seen It All), The Path & Oceanic Feeling. In late 2017, Lorde...

What is Lorde's solar power?

Solar Power is a new era for Lorde, matured as she turns her consideration outwards towards her role in fan's lives, while still leaving space for her signature confessional lyrics. Lorde's Solar Power is an airy body of work that refuses to stand in the long shadow cast by its predecessor.

What mode does Lorde heavily use in 'Solar Power'?

Lorde's heavy use of the mixolydian mode--which propels "Royals" and "Green Light"--makes "Solar Power" feel both sunny and monotonous. Time will tell whether Lorde's Solar Power is a pop oddity, or the precursor to a once dominant mode coming back into vogue.

Who is Lorde's biggest character on 'solar power'?

Aside from Lorde herself, the biggest character on 'Solar Power' is our planet. The album is a celebration of the natural world, from the musician's insistence that we should "hope the sun will show us the path" on album opener 'The Path' to 'Fallen Fruit's disappointment in past generations leaving today's youth to deal with the climate crisis.

Is 'solar power' a new chapter in Lorde's career?

A new sun-loving Lorde tries to find her zen on album number three. Like Lana Del Rey and Taylor Swift before her, the New Zealand star embraces mellowness on a third album shaded by climate anxiety and a rejection of celebrity. Solar Power seems like the start of a new chapter in Lorde's career.

Is Lorde's 'Solar Power' a good album?

Other reactions to the record have been similarly tepid. In The Ringer, Rob Harvilla wrote that the album lacked any potential for pop hits as well as the "propulsion and the melancholy severity" of her past work. In Pitchfork, Anna Gaca lamented, "Most of Solar Power doesn't solicit strong emotion in either direction."
