

Why is Lorde so popular?

The track's simplistic production (courtesy of Joel Little) and catchy refrain (courtesy of Lorde) immediately set Lorde apart from the pop crowd in 2013 and quickly became a global smash, topping the charts in more than 12 countries and reportedly selling 10 million worldwide.

What is the most forgettable song on solar power?

Judging them in their entirety, here is my ranking of every song on the standard version of "Solar Power." #12 Dominoes (Track 8) "Dominoes" is the most forgettable track on this album. It's a nice song, but not the lyrics aren't particularly enticing and the music itself is a tad boring in comparison to the rest of the songs.

What is Lorde doing in a post apocalyptic society?

Lorde harmonizes with herself in stacked, crackling vocal lines -- now a certified hallmark of her music -- as she fantasizes about being a pop star in a post-apocalyptic society where most of the earth's environment is unlivable. 10. Solar Power

What is Lady Lorde's second biggest song in the UK?

Lorde's second biggest song in the UK is Green Light, the electrifying, dancing-through-tears lead single from her second album Melodrama released in 2017, with 830,000 chart sales. 2013's Team, which served as the third single from her debut album Pure Heroine, completes the Top 3 with 434,000 chart sales.

Is Lorde the sound of the future?

David Bowie once called Lorde "the sound of the future." How prophetic that turned out to be. Over the course of a mere two albums and a handful of EPs, the young New Zealand popstar has transformed the shape of the industry.

Is Lorde's 'glory and Gore' a good song?

'Glory and Gore' Every single Lorde song could be titled 'Glory and Gore' -- those three words capture her entire modus operandi, highlighting her skill at combining the glossy with the emotionally devastating. As to the song itself, it's the angriest thing on Pure Heroine, bursting at the seams with its own vicious conviction.
