

Is Lorde releasing a new song?

Like the sun breaking through the clouds, Lorde's new single, "Solar Power," is here after a dark few years without new Lorde music (never mind a bit of a confusing release that involved the song reportedly leaking on streaming in multiple countries).

Who sings 'solar power' on 'melodrama'?

"Solar Power," which Lorde first teased on her website on June 7, finds the New Zealand pop musician once again teaming with Melodrama producer Jack Antonoff, along with tapping fellow singer-songwriters Phoebe Bridgers and Clairo for some backing vocals.

Is 'solar power' the happiest song of all time?

The "Solar Power" music video finds Lorde frolicking among a crowd of beachgoers -- dancing, playing chess, sipping drinks, dancing on a floating platform in the ocean, and generally living her best life. Altogether, it's easily one of Lorde's happiest songs to date, after the performer previously told fans that "good things came out."

What does Lorde say about her new era?

"There's someone I want you to meet," Lorde wrote, explaining the new era. "Her feet are bare at all times. She's sexy, playful, feral, and free. She's a modern girl in a deadstock bikini, in touch with her past and her future, vibrating at the highest level when summer comes around. Her skin is glowing, her lovers are many."

Lorde, 24, just dropped the new music video for her latest single "Solar Power" off her album of the same name! In the video, which dropped on Thursday, June 10, she is seen ...
