

Why does snake need process materials in Metal Gear Solid V?

Aside from making money from doing missions in Metal Gear Solid V: The Phantom Pain, the only other reason to collect all those Processed Materials is so that Snake can upgrade Mother Base to a full 28-platform beast. But in order to build Mother Base, Snake needs materials. Why not let IGN's Wiki guide point out there locations?

Where can I find a common metal container?

MISSION 12 COMMON METAL CONTAINER: For some reason, there is a Red-colored Common Metal container that only appears during this mission. As you make your way towards the base camp, there will be a single red container by the side of the road before the base camp that is guarded by three soldiers. Feel free to take it if needed.

Where can I find a container in Afghanistan?

When starting the game, Snake has access to 99% of the Afghanistan map with the exception of OKB Zero. Containers can be found in half of the outposts and are essential to building those first couple of platforms at Mother Base. There are a total of TWELVE containers at OKB Zero, accessible only after Mission 30.

How often do containers appear in a mission?

Normally, whenever you do a mission and extract containers, those containers will not appear in the mission again until you do five more main missions (replays count). This is also true if you went to the location during free roam and extracted the containers.

How do you respawn containers?

When the mission begins, eliminate the two guards nearby and then Wormhole Fulton the three containers on top of the stairway. Once that's done, grab the Intel file on the opposite ledge to activate the Checkpoint and save the materials in your MB inventory. From there, restart the mission and the containers WILL respawn.

How many containers does Mfinda have?

The oil plant at Mfinda has a nice collection of SIX containers for the taking. There are a total of FIVE containers all kept within this tightly-knit little outpost. There are a total of FOUR containers in this widely-spread camp. This place only has ONE container, so unless you really need the items it contains, just ignore it.
