Why does snake need process materials in Metal Gear Solid V?

Aside from making money from doing missions in Metal Gear Solid V: The Phantom Pain,the only other reason to collect all those Processed Materials is so that Snake can upgrade Mother Base to a full 28-platform beast. But in order to build Mother Base,Snake needs materials. Why not let IGN's Wiki guide point out there locations?

Can you expand Mother Base in Metal Gear Solid 5?

Although players will want to expand their Mother Base as quickly as possible,Metal Gear Solid 5 puts some harsh limitations on resources. Specifically,the game keeps Fuel Resources to a scarce minimum,meaning players will need to either scavenge a lot of them or wait until their Base Development facility collects enough to expand Mother Base.

Does Metal Gear Solid 5 have an open world?

When first booting up Metal Gear Solid 5: The Phantom Pain,and after getting past the very strange prologue,players will uncover an open worldunlike anything the series has seen before.
