

Who is Mohr power solar?

Mohr Power Solar understands all phases of the Solar Industry from Solar hot water to PV energy storage and everything in between. We understand how it all works and comes together like an engineer or a scientist. We believe in the future of the art of solar architecture making solar integrated and beautiful. Just like mother nature it self.

Did Mohr power solar do a good job?

Mohr Power Solar did a good job for us. I'm an Engineer and we are very picky about the details. Upon the survey we went over all the details to confirm what the sales-rep told us and all went well. In fact I asked for a few addition details Mohr Power agreed to do no extra charge. Salesmen was polite and very informative.

Do you have a Mohr power 3 referral?

We have already given Mohr Power 3 referrals to our friends and neighbors who are also happy. Make an impact. We developed our one-of-a-kind marketplace with funding from the U.S. Department of Energy to make clean home energy solutions affordable and accessible to all.
