Which batteries are used in Pakistan?

The most popular ones that are used in Pakistan are Dry batteries and Lithium-ion. Note: You can save money while buying a new Narada battery by trading in your old one. The discount depends on the older battery condition/capacity and the retailer's offer.

How long is Narada battery warranty?

Narada battery warranty period starts from 3 years and goes up to 5 years which is a big improvement over the local 6-month and 1-year warranty offered by the competition. It is best to buy the product from a Narada Authorized Distributor so you can claim the warranty through them if something were to go wrong.

Who is Narada power?

Narada Power is a Chinese company with almost 30 years of experience developing high-end energy solutions for Telecom, automobiles, reserve power, and energy storage for centralized, commercial, and home purposes like solar systems.
