

What is Nature's Generator?

The Nature's Generator is a solar generator built to be used anywhere, anytime. Power is supplied by our very own Power Panels and Wind Turbines, and can be connected to your home power. We ensure a clean charge without sacrificing any power, so you can stay connected wherever life takes you.

What is a nature's generator elite?

Versatile Power Solution: The Nature's Generator Elite is a 3600 watt generator that serves as an ideal solution for home battery backup, camping, RV's, and off-grid setup. **Expandable Design:** Allows additional battery units for enhanced capacity, and solar panels for additional solar charging to meet your evolving energy needs.

How much power does a Nature's Generator have?

Nature's Generator Elite offers 3600-Watt Output capacity with its revolutionary inverter system. It comes with 3 AC outlets, 2 USB ports, and a DC plug-in, making it easy to power up several electronic devices at once.

Does nature's generator require gas to run?

The Nature's Generator does not require gas to run, which makes it the perfect emergency and backup power source for use inside your home. With the included Nature's Generator Power Panel you can keep your system charged and ready to go, essentially creating your own solar power production plant.

What is the nature's generator gold system?

The Nature's Generator Gold System couples the power of the Nature's Generator with a Nature's Generator Power Panel. The Nature's Generator stores electrical energy in its internal battery and uses state-of-the-art electronics that convert 12-Volt power to 120-Volt everyday household electricity; it provides 720 Watt hours of run time.

What makes nature's generator different from other solar panels?

Unlike other solar generators in the market that use fabric or plastic cases for their solar panels, Nature's Generator has tempered glass on the surface of its solar panels, offering extra durability and longevity. Solar panels capture energy from the sun and can lose efficiency when scratched from the surface.
