

What solar-specific electricity plans does Origin Energy offer?

Here are the relevant solar-specific electricity plans offered by Origin Energy: The Solar Boost plan offers one of Origin Energy's highest solar feed-in tariffs. Importantly, Solar boost is available to all customers with solar panels, no matter if the solar system was purchased from and installed by Origin.

Who is origin solar?

Since then, Origin has gone on to great success, becoming a leading integrated energy company with over 4 million electricity, gas and LPG customer accounts across Australia. Naturally, Origin offers a complete solar solution for residential customers including solar panel purchase and installation, inverters, batteries and plans.

How does Origin Energy work?

Origin Energy puts solar on the roof of your home or business for free. You have a contract period for 7, 10, or 15 years called a Power Purchase Agreement or PPA. During this period you pay Origin for every kilowatt-hour of electricity the solar system generates. The charge increases with the Consumer Price Index.

Should I buy a solar system from Origin Energy?

Origin Energy offers a range of different plans and feed-in tariffs whether you purchase your solar system from them or BYO, so they are worth considering when it is time to purchase a system or if you are changing energy providers to take advantage of higher solar feed-in tariffs.

Who is Origin Energy?

Origin Energy is Australia's largest electricity retailer, servicing around a quarter of the residential electricity market. Though you may not know that Origin Energy is a relatively young company - it was formed in the year 2000 when Boral demerged its energy business to create a standalone energy company.

What solar panels does origin use?

Gerda says Origin will use a three phase Fronius inverter, which is a high quality brand, but she doesn't say what solar panels will be used. Looking at Origin's website I see they say their installations use CSUN and Trina panels, both of which have 10 year product warranties.
