

Who is Solar Philippines?

Solar Philippines is Southeast Asia's largest solar company with over 1,000 employees across numerous project sites. We have 400 MW in projects operating or under construction; and a multi-GW pipeline, including the world's largest off-grid solar projects and the lowest cost Solar Power Purchase Agreements in East Asia.

Where is Solar Philippines located?

Through our subsidiary Solar Philippines Calatagan Corporation, we built a 63.3MW solar farm in Calatagan, Batangas. Since the start of its operation in 2016, it has generated over 500GWh of clean energy, enough to power over six municipalities in Batangas, while sourcing the majority of its workforce from the locals in nearby areas. LOCATION:
